1. Who is your favorite cadet besides Miranda and why?

2. Would you have spoken up about the timing of the opening and closing of the tanks during the practical in Chapter 8 if you were Miranda? How would you have felt if you were another member of the crew?

3. How would you feel if you were a cadet and found out about the replacement list and who was on it?

4. If you were a cadet, would the 3 attacks on Miranda (on the ship, at the helicopter, and with the photographer) have made you want to quit?

5. Do you agree that Najma should be hacking into Dr. Schuber's computer?
